

## Kids' Area Outline

Kids' Area always popular is established for lots of kids playing safely and joyfully. We have improved the contents of the area further more: "Touch & Try Booth" where latest game software can be experienced, a "Sales Corner" where game related goods for kids are available, the "Event Stage" where enjoyable kids events are held, "Try Toys Corner" where analog games and latest toys can be experienced, "Try Nostalgic TV Games Corner" where nostalgic masterpieces of TV games such as Famicom can be played, a "Food Court" where nostalgic sweets are sold, and staking rigs and lottery can be enjoyed.

As well as a variety of stage shows held by the Kids' Area exhibitors, the organizer's event stage will also feature "DEKA RANGER" & "TOTOKO HAMUTARO."

\*Kids' Area is exclusively for elementary school children or under and their parents.
